Plus Custom
Branding

Sustainable Alternatives

Whether you're looking for protective packaging like bubble and void fills, or your basic wrap, strap and tapes - we have a variety of sustainable packaging options for you to consider.

Floor Protection

Our floor protection products protect flooring & other surfaces. They are the ideal protection for commercial and residential construction and renovation projects. Our range includes Construction Multi Guard, to Polycushion, Polywoven, Supabord, Hollowflute, tapes and more.

Timber Products

Our extensive range of industrial timber packaging products supports a variety of industries. We custom manufacture pallets, skids, cases, crates, pallet collars and nail less ply cases to meet the demands of local and ISPM15 export requirements.

Machinery

Can't keep up with orders? Need to improve productivity and reduce costs? You'll need our Stretch Wrap Machines. If you are manually wrapping your pallets with Hand Stretch Films, ask us how switching to a Semi Automated Stretch Wrap Machine can benefit your business.
